Description

Same owner since 2008! She's easy to show in Palm Beach Gardens. The owner wants this to be the next 48 Ocean sold; bring offers! This 1988 48' Ocean Yacht is ready to take you to the Bahamas, chase pelagics offshore, or entertain in comfort. The current owner had her prepped for a Bahamas summer before plans changed, so she's fully serviced and ready to go mechanically. This vessel combines Ocean Yacht's proven offshore hull with modern upgrades, making her a versatile option whether you're looking to fish, charter, or cruise. Her 2-stateroom/2-head layout with a step-down galley to starboard provides excellent livability....
