Description

Crafted to the highest standards by Crescent Yachts, this 115' motor yacht boasts a robust Westport hull and an impeccable refit completed in 2014/2015 at Delta Shipyard and Platinum Marine. Designed for long-range cruising and luxurious comfort, this vessel presents immaculately with sophisticated interiors, advanced systems, and an impressive suite of features. Powered by dual 1500HP MTU engines with a comprehensive W5 service, Naiad stabilisers, and hydraulic bow and stern thrusters, she delivers reliable performance and exceptional seakeeping. The meticulously appointed interior features four spacious guest staterooms, including a full-beam master suite, all with ensuite bathrooms fitted new in 2014. Her expansive deck...
