Description

We Accept Trades! This 2001 65 Viking is a great boat whether you are looking for a serious fishing machine or a cruising vessel, this 65 Viking is a must see. The boat is powered by twin 16V2000 MTUs with 3000 hours and is up to date on services. To go along with low hours for it's age, it has had plenty of upgrades throughout the years including a paint job, updated Garmin electronics, and a yacht controller just to name a few. The boat is easy to see at Yacht Haven Marina in Fort Lauderdale, call the listing broker for...
