Description

We Accept Trades!! If you are looking for a turn key motor yacht under 60 feet and without pods, then this 2020 50 Azimut Fly is a must see. The seller has owned the boat since new and has spared no expense keeping her dialed in. She is powered by twin Volvo D11s (670 Hp ea) with 450 hours and up to date on engine services. The boat is loaded with options including a Seakeeper Gyro, joystick control, bow thruster, washer/dryer and hydraulic swim platform just to name a couple. The boat is easy to see in Huntington Yacht Club, please...
